The Newsletter of the St. Louis Alumnae  
Club of Alpha Gamma Delta

Fall 2022 Edition

## From the President

The pages are flying off my page-a-day calendar. How did eight months of 2022 pass by so quickly? My son started his junior year of high school a few weeks ago. Transitions are challenging for both of us. The reality of the last years of his high school along with his uncertain future path have made me want to slow down the clock and stop the progression of these days. (He's driving so "slow down" and "stop" are my favorite words when riding in the car with him, also.)

Transitions can bring...new experiences. I attended the Alpha Gamma Delta International Convention in Louisville, Kentucky, this past July. Our club was honored with several awards, including a first for us in a new category. I will report on my Convention experiences during our September 13th meeting along with an article in this newsletter.

Transitions can start...new relationships. We have a new Alumnae Initiate, Vickie Svaglic, who is sponsored by Club member Jackie Dunn, and will be initiated into the Kappa Delta chapter. We also have new Club members and sisters who might join our Club who are attending events for the first time. If you see someone you don't know at a Club meeting or event, please introduce yourself! I can tell you from experience, I was the "new girl" many times while moving and changing schools, and it doesn't get any easier when you're an adult. Please be the friendly face that other sisters remember.

Transitions can provide...new opportunities. Our Club will be busy this fall with many occasions to cultivate acquaintance, to cherish friendships, and to welcome the opportunity of contributing to the world's work. We will focus on fighting hunger through canned food drives at our September meeting and at Alpha Gam Always in October. And we will support Lydia's House by bringing extra "gifts" from their list of most-needed items to our Holiday Party.

Maybe the purpose of transitions is to show us a new way of living. The one thing we can depend on in life is change – everything from seasons to stages in life are dynamic. Just when you think you've got it all figured out, something new comes along and you have to start all over again. Let's embrace transitions this fall. We may not be able to slow down the clock or stop the days from flying by, but we can enjoy the time we share together

Loyally,

Jane Miller Taylor

## The Alpha Gamma Delta Purpose

*To gain understanding that wisdom may be  
vouchsafed to me.*

*To develop and prize health and vigor of body.*

*To cultivate acquaintance with many whom I  
meet.*

*To cherish friendships with but a chosen few and  
to study the perfecting of those friendships.*

*To welcome the opportunity of contributing to  
the world's work in the community where I am  
placed because of the joy of service thereby  
bestowed and the talent of leadership multiplied.*

*To honor my home, my country, my religious  
faith.*

*To hold truth inviolable, sincerity essential,  
kindness invaluable.*

*To covet beauty in environment, manner, word  
and thought.*

*To possess high ideals and to attain somewhat  
unto them.*

*This shall be my Purpose: that those who know  
me may esteem Alpha Gamma Delta for her  
attainments, revere her for her purposes and  
love her for her womanhood.*

## International Reunion Day 2022 Special Awards

### **Diane Wicker was awarded the Talent of Leadership**

award at IRD this year.

Alumnae who are given the Talent of Leadership award have made a positive impact in their local community. In our Purpose, we include the important section, "To welcome the opportunity of contributing to the world's work in the community where I am placed because of the joy of service thereby bestowed and the talent of leadership multiplied." Diane has shared her joy of service with our club for many years. However, her continued, selfless leadership in our community was one of the many traits recognized through this award. She is a talented individual with a heart of gold and has contributed to our club in a myriad of ways.

### **Sarah Rudis was awarded the Heart of AGD**

award at IRD. This award is for service that is significant, faithful & dependable. Length of service is three consecutive years. Sarah has done all of these things, along with being cheerful, kind, diligent and an invaluable member of our club!

## NEWS From our SISTERS!

**Sarah Rudis** is heading back to school, pursuing a nursing degree,. Way to go Sarah!!

Keep **Sonya Potter** in your thoughts as she is recovering from a recent surgery.

**Lucia and David Oswald** have sold their house and are moving to temporary housing. We will continue to use the same address which will go to a post office box for now. In order to spend more time with our two families in Colorado and Virginia, we are looking to buy a condo or villa in our current area of Webster, Crestwood, Kirkwood, etc. We are in exciting but uncertain times in our lives, but welcome the change.

## Foundation Fundraiser EXTRAORDINAIRE!! — SONYA POTTER!

**Sonya Potter** has been leading the St. Louis Alumni Club efforts as our Foundation Fundraising Chair from 2008—2022. She led the club's effort to raise \$72,910 for the Foundation over that time. Sonya was recognized for her leadership with the Arc in 2012 and the Arc with Diamond in 2018. The St. Louis Club has been recognized at many Conventions for our Foundation contributions. The last few years were certainly a challenge as our Annual Trivia Night had to change formats for April 2020 and 2021.

Our Club has also recognized Sonya's contribution by presenting her with the plaque and vase with red and buff roses shown in the pictures.

THANK YOU SONYA for your tireless work for Alpha Gamma Delta!!

CONGRATULATIONS to **Rachel Lang** on the arrival of a new little miracle. Nora Margaret Jeney was born on 06/30/2022.

## Letter From the Editor

Dear Sisters,

As we look forward to the year ahead of us, I am happy to have all of you by my side and the fun and safety of having a sisterhood. When our family moved to the St. Louis area in mid-2019, I was so glad to find a local AGD Alumni Club. You welcomed me and expanded my circle of Alpha Gam friends. A few short months later, the pandemic hit, and I was even more grateful to have my sisters to connect with, although virtually. As events this year are planned for in-person, online and hybrid, we all have learned flexibility and to stretch our thinking in ways to gather, celebrate and contribute to our community. Another reminder that Alpha Gamma Delta is a lifelong sisterhood... truly Alpha Gam Always!

Hopefully, this newsletter helps you to stay connected and find something to participate in with your AGD sisters in the area!

Loyally in E-pi,

Heather Perea Beering, *Editor*

## AGD Convention Report—Louisville, KY

Alpha Gamma Delta's 2022 International Convention was held this year in Louisville, Kentucky, on July 14-16th. It was the first time in four years that our fraternity has met as a group since our 2020 Convention had to be cancelled. Jane Taylor, our Club President was honored to attend as a representative of the St. Louis Alumnae Club and a voting member.

On Thursday, our first full day at Convention, we gathered together for Opening Session along with Tina

VanSteenbergen's presentation as our key-note speaker. Tina's speech about women supporting each other was inspiring and humbling at the same time. After Opening

Session, we broke into small groups by initiating chapter and participated in a service project which consisted of packing backpacks for school children in need. Thursday evening, as a member of the Jewel Society, I was invited to attend the Foundation-sponsored event held at Churchill Downs. It was my first time visiting the Kentucky Derby racetrack. In some ways, the track was larger and the grandstand was smaller than I imagined it after watching the Derby for years on television. Since this was a private event and not a race, we enjoyed dinner in the club area along with tours of the famous grandstands and track. One of the highlights of this special night was a bugle call-to-the-post by an official Churchill Downs musician in Derby-day uniform of red coat and riding hat. My heart raced to hear that call. It was an unforgettable event!

Friday began with Initiation and memorial services in the

morning, then the Honors of Epsilon Pi brunch and service in the afternoon. I met many new sisters from all across the country (and Canada!) during this Convention. It was thrilling to see some of my new friends honored during the Epsilon Pi service. Another exciting event occurred that evening at the Awards Show when our Alumnae Club received the Outstanding Communications Award, a first-time award for us! I was extremely proud of our Club's achievements!

Saturday, the last day of Convention, we had a business meeting in the morning, followed by the AGD Foundation-sponsored Inspire and Impact Luncheon. AGD Foundation awards were presented to Chapters and Clubs during the luncheon. Our Club was awarded the Honor Roll for Best Financial Support of the Foundation by an Alumnae Club. I was grateful to represent St. Louis Alumnae members and to accept this award on the Club's behalf – another outstanding achievement!

Saturday evening ended with the traditional Feast of Roses, a sisterhood celebration, and Our Living Circle.

I greatly appreciate the opportunity to attend Alpha Gamma Delta's International Convention this year. I thank you all for your support, your service, and your continued dedication to the St. Louis Alumnae Club.

## Chapter Grand

**Barbara McKinnon Marks** entered Chapter Grand on July 28, 2022. She was a longtime active member of our club. She held many offices, including 2 different terms as President and IRD chair; she was also a frequent host & chair of our monthly dinner committees. It was always a pleasure serving with Barbara. She was a gracious sister who made every event lovely. She will be dearly missed.

### Disposition of AGD badge after member is deceased

Upon entering Chapter Grand, a member may be buried with her Badge or her Badge must be returned to International. Barbara, who was cremated, chose to be buried with her badge. Please see photo. To make this process easier on your loved ones, it's a good idea to make these arrangements while you're still enjoying good health.

## Philanthropy News

### Summer food drive

This summer, a new alumnae, Allison Diamond, asked our club to help with a summer food drive where she interned. No surprise that our club members enthusiastically supported her request!

Thank you so much to the 11 AGD club members, & 2 friends of Nancy Gelb, who generously donated non-perishable food:

Carol Amling, Jackie Dunn, Nancy Gelb & 2 garden club friends, Robin Hollrah, Kathy Miller, Lucia Oswald, Jan Petersen, Bonnie Sanguinet, Mary Saranita, Linda Shugert, Diane Wicker

And special thanks to Nancy, Diane & Carol for being collection sites where food was dropped off.

About 400 total items were donated; our club contributed about half of that! The items were delivered to food pantries in Chester, IL and Perryville, MO.

From Allison: Thank you StL club! AGD sisters are the best! I am so proud to be an alum of AGD!

### Fall Philanthropy Plans

International has designated September "Hunger Action" month. In support of this, **our club is collecting non-perishable food items at our September 13 meeting at Nancy Gelb's home & in October when we gather for Alpha Gam Always.** These will be delivered to the StL Food Bank. If you are unable to attend either of these, Diane is happy to receive your items on her front step.

On December 13, in the spirit of holiday giving, we will once again be collecting items for Lydia's House. A list of recommended items will be emailed in November.

Thank you, dear Alum sisters, for fulfilling our purpose: to welcome the opportunity of contributing to the world's work in the community where (we are) placed because of the joy of service thereby bestowed and the talent of leadership multiplied.

Loyally,  
Diane Brown Wicker, *Philanthropy Chair*
